2) The IDS does not comply with the requisite format as set forth under paragraphs (a)(1), (a)(2), and (a)(3) under 37 CFR 1.98, and

3) the IDS is not accompanied by the requisite fees and/or statement under 37 CFR 1.97(e).

It has been placed in the application file, but the information referred to therein has not been considered as to the merits. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609.05(a).
